

## *Installation Electrician*

### **Installation Electrician**

Position: Permanent, full time, start date TBC.

Location: Dartford, but the role will require visits to external client locations.

Salary: £30,000 - £38,000 per annum, depending on experience, with additional overtime.

About the Role: If you are an experienced and skilled electrical engineer seeking a new role, then we would like to hear from you!

Vitech Services is seeking to appoint a motivated, enthusiastic and skilled electrician to join our experienced team. This is an exciting opportunity for a candidate with skilled experience within the role. As an electrician, you will be responsible for taking charge of various electrical installation project works, making sure that the jobs run efficiently and on-time whilst ensuring customer satisfaction. The job would also entail regular proper maintenance and upkeep of electrical fixtures arranged through the company in both residential and commercial properties. As part of the job, the successful candidate would also receive a range of benefits including a company van, company tablet, holiday pay, overtime and a pension package. A DBS check will be required for the successful applicant.
